STEVENTON PARISH COUNCIL

Mrs. Angela Einon, Parish Clerk Telephone: 01235 831024 Email <u>steventonpc@tiscali.co.uk</u> Website: steventonoxon.org.uk

A meeting of Steventon Parish Council was held in the Millennium Room of the Village Hall on Tuesday 4th January 2021 at 7pm

1. APOLOGIES FOR ABSENCE

Apologies had been received from Cllr M Barber

2. PRESENT

Dr C Wilding, Chair, Mr J Bennett, Mrs S Broadbent, Mr J Clark, Mrs C Denton, Mr M Stimpson-Tame, and Mr J Rice. Mrs A Einon (Parish Clerk) and Cllr Sally Povolotsky (OCC) were in attendance. The meeting was joined by nine members of the public.

The Chair wished all present a Happy New Year. He also informed the meeting that Robert Green had resigned from the Parish Council after ten years. Robert considers that he is unable to give the level of commitment to the role of Parish Councillor, as considered necessary. Robert has made significant contributions to the village, in particular the campaign to save Steventon Railway bridge and leading the emerging Neighbourhood Plan team. We wish him well for the future.

3. DECLARATIONS OF PECUNIARY INTERESTS AND OTHER DECLARATIONS

To receive any declarations of disclosable pecuniary interests, and other declarations, in respect of items on the agenda for this meeting.

No declarations were made.

4. PUBLIC PARTICIPATION

4.1. Bridge

The results of the bridge inspections had been much worse than originally anticipated and has resulted in the one way system to reduce the weight that has been put into operation. The signage is temporary, but it is likely that this will be needed for several months, until a resolution can be devised. The priority is to those coming down the hill into the village which has caused many questions, but the tests indicate that this was safer than with priority going out of the village. More permanent barriers are on order and will improve the visibility. Sat nav data had been informed of the restrictions.

4.2. **GARD**

Derek Stork reported that Ofwat was expected to respond to Oxford's complaints tomorrow. Water resources south-east are to publish their regional plan on 17th. The village hall has been booked for 4th February for a public meeting.

5. REPORT FROM ANY COUNTY OR DISTRICT COUNCILLOR IN ATTENDANCE

Councillor Sally Povolotsky reported:

There are several COVID-19 updates as we continue to respond to increasing case numbers, locally and nationally where plan B will continue at least until 26th January. Resumption of walk-in vaccinations at the Kassam Stadium from 10 January.

In other news, two consultations: the **special educational needs and disabilities (SEND)** consultation, launching on Monday; and the **draft Local Transport and Connectivity Plan (LTCP)**, which opened earlier in the week. I am also excited to share details of an **electric vehicle charging point pilot scheme** being trialled in Oxford and Cherwell and news from our **trading standards officers who made their biggest haul of illicit cigarettes** just before Christmas – well done to all involved.

Traffic restrictions have been introduced to the High Street in Steventon due to the deterioration of brickwork on Steventon Bridge, which is owned by the council. We have narrowed the B4017 across the bridge and brought in a traffic priority system following a review of the structure's load carrying capacity. An inspection will be carried out as soon as access can be gained onto the railway to review the condition

of the brickwork in more detail. As many of you will know I pushed hard for the surveys and have worked with officers all over the Christmas period on this issue, despite some public voices around the priority lane, its functioning well, and we want to avoid signalisation on the request of residents and the Parish. More details as they come, but it won't be a quick fix.

Police are now doing regular patrolss in Steventon and will speed check traffic on the hill.

6. APPROVAL OF THE MINUTES OF THE LAST MEETING

The minutes of the meeting held on 7th December 2021, were accepted as a true record with the following modification:

- 4.4 Insert 'and' after 33 HGV's remove comma after Hanney Road. Correct spelling from Frances to Francis.
- 4.5 insert 'discussing a' prior to motion.
- 10.4.5 Insert full stop after school. Replace next sentence with "The culvert by the school, leading to Brind Close and part of the Causeway was a cause for concern as there was narrowing due to the poor design, damage and root growth, all of which could result in back up and flooding in the area.

10.5.2 Correct spelling Frances to Francis

Proposed: Mr Clark. Seconded: Mr Rice.

A meeting was held on 21st December at 7.30 pm by zoom to discuss feedback on the land behind the school. A presentation was given by Elliot Hamilton a village resident, on the type of provision the school renovation company could provide.

1. It was the consensus view that the Parish land be used to the benefit of the Parish and not just the school. However, it was considered that the school should be integrated with any future use. It was considered that a new fence should be constructed on the line of the changed ownership, with a gate for access from the school. The existing exterior fence to be removed to allow for the creation of a landscaped tree area with the provision of a fitness feature track running through it.
