

Steventon News - Report for Annual Parish Meeting 2022

Steventon News came out on time every month in the past year, thanks to the regular volunteers who edit, print and distribute 1,000 copies each month.. I would especially like to thank our core group - Martin Simpson Tame, Dilys Wilding, Adrian Ford, Betty Webb and Audrey Holloway. Thanks too to Angela Einon for posting a copy on the village website each month, the Binnings family for accommodating our machine and supplies., and all our regular advertisers and contributors.

The total costs for the year were covered from advertising income and we made a small surplus.

We are actively moving forward plans to improve the quality of the print, maybe add some more colour and reduce the time it takes us to get each issue together each month so hopefully you will be seeing a brighter, better Steventon News during the coming year.

Sue Rees
Secretary - Steventon News
