

## Village Hall Committee - Report for Annual Parish Meeting 2022

It has been another unusual year for the Village Hall.

We were affected by the pandemic related restrictions and the many changes in government advice and requirements for public events, which in turn have affected bookings. We were able to access Government grant aid to help cover some of the lost income.

However as restrictions have been lifting many of our regular hirers have returned and enquires about daytime bookings are starting to grow again.

Unfortunately due to increasing rate of inflation hire fees will need to be raised this year

We have had lengthy and expensive problems with the heating in the Main Hall and thank all our regular hirers for their patience during the coldest months of the year.

However, the Panto returned to packed houses and has already provisionally booked for the 2022/2023 season.
